Young Entrepreneurs Club Launches New Products

Enumclaw, Washington (June 10, 2010) – Cedar River Academy's Young Entrepreneurs Club, the CRA Ultrapreneurs, have launched a new product for distribution and sale. The new offering is the Wizard's Wand, an Imagical[®] wand for kids from age six.

The Wizard's Wand Product Team

The 11 to 14 inch wooden Wizard's Wand is designed for kids 7 years old and older who follow the tales of witches and wizards that remain popular. These wands are handmade from a variety of hard woods and they are all Imagical to their owners. Some even have a special property – they will not float in water!

Wizard's Wands may be purchased at the Cedar River Academy office, from any CRA Ultrapreneur, or ordered on the club's website,

<http://www.cedarriveracademy.com/YEC/WW.php> for \$10.95 plus tax, and any applicable shipping and handling.

All profits from CRA Ultrapreneurs operations are distributed equally to individual students. One half of these distributions are expected to be deposited in the student's personal college funds.
